Harvest Service—Friday 21st September

The Harvest service is a traditional short service (no more than 30 mins) held by our Minister Rev Jez Brown in which the children will take part by singing songs and making an offering of food to add to the Harvest display in the church. All our families and friends are invited to join us **from 2pm** and once finished you will be able to take your child home with you. Even if it is not your normal child's session you are welcome to join us.

If your child could bring in an in date tin, packet, jar or fresh produce for our display on Thursday 20th Sept, they may take it up during the service. All donations will be taken to Paignton Community Ladder after the Sunday service.

Macmillan Coffee Morning

We will be running our Macmillan Coffee Morning on **Wednesday 26th September** in the coffee shop, please come in!
