

# PRESCHOOL NEWS

## Invoices –REMINDER

All invoices and hot lunches are **due by the first week** back at preschool, if you haven't paid yet please come to see Caroline or Susan in the office. Thank you

## Conkers needed

Have you got bags of Conkers at home? Don't know what to do with them?

We will be very happy to have them at Preschool!  
Thank you

## Fancy Dress costume

If you are looking for fancy dress costumes, Brain-wave Charity Shop on Palace Avenue have loads!

## Tapestry

Remember to register to receive notification. If you haven't received an email from tapestry please come to the office to resend the link.

## Funding Forms

The funding forms will be ready for next week, We will be asking you to check the details and sign the form.

If you are entitled to 30hours, can you please check that you have renewed your code, a lot of codes are in the grace period which means you will not be entitled to your hours if not renewed.

If your child is not in next week or off sick, please call the office as we need to report any absences during that week. Many thanks

## \*\*\*\*NUT FREE SETTING\*\*\*\*

**Please remember to remove nuts from your child pack lunch.**

**Thank you**

## Macmillan Coffee Morning

**This Wednesday 26th September  
from 9.30am to 12.00 , please bring  
in cakes to sale please. Thank you**

## Preschool Policy on Sickness

May we remind all parents that if your child is ill, in any way, it is always best they are kept at home to recover. Any bouts of diarrhoea and/or sickness, no matter what the cause, children **must be clear for 48 hours AFTER their last bouts of diarrhoea/sickness BEFORE they return to preschool.**

For example if your child is sick on Saturday, he's not to come back to preschool **before** Tuesday.

This is a national policy and applies to children and staff in every school.

\* **Antibiotics:** Our policy is children must have been taking antibiotics for 24 hours BEFORE they return to preschool. This is to make sure they have no adverse reaction to it, and that they are not bringing any infection into preschool.

\* **Asthma/Inhaler:** If your child requires an inhaler, we need to have the inhaler in its packaging showing the name of the child and the date issued—inhaler needs to be in date.

Thank you for your understanding.
